SEVERANCE SOUTH METROPOLITAN DISTRICT NO.2
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Severance South Metropolitan District No. 2 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act and was formed in 2017. The District was established in the Town of Severance, Colorado consisting of approximately 601 acres. The District was organized to provide financing for the acquisition, construction and installation of public improvements including, but not limited to, potable and non-potable water, wastewater systems, storm drainage, streets and roadway landscaping; park and recreation improvements, security services, covenant enforcement and design review, and to provide the operation and maintenance of these improvements.

The District has no employees and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2025 budget, the following goals are foremost for the District:

- Provide the level of operational support necessary in order to maintain the District's compliance with state statute.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor as of January 1 of each year. The levy is set by December 15 by certification to the County commissioners office. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes the District's share will be equal to approximately 6.5% of the property taxes collected.

Expenses

General and Administrative

Pursuant to the District Coordinating Services Agreement, the District will provide certain operation, maintenance and administrative services benefiting Severance South Metropolitan District Nos. 1-4 (collectively, "Districts"). General and administrative expenditures include the

The Districts will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to the operating District No. 1.

County Treasurer's Fees

County Treasurer's collection fees have been computed at 1.5% of property taxes.

Reserves

The District transfers all of its revenue to Severance South Metropolitan District No. 1 as provided for in an intergovernmental agreement between Severance South Metropolitan District Nos. 1-4. Therefore, no emergency reserve has been provided for in Severance South Metropolitan District No. 2. The emergency reserve is held by Severance South Metropolitan District No. 1.

The Division of Local Government ("the Division") has developed technical assistance resources to assist taxing entities with the calculation of the property tax limit available online here (<https://dlg.colorado.gov/budget-information-and-resources>). Please understand that the Division has no statutory or administrative role in calculating or enforcing the property tax limit, and each taxing entity's revenue limits and voter approval history may be unique. The technical assistance resources provided by the Division with regard to the property tax limit are not definitive and not legal advice. Taxing entities may choose to calculate the property tax limit with a methodology that is different from the methodology presented in the Division's technical assistance resources. The Division always recommends that taxing entities consult with an attorney in order to understand and apply the various statutory and constitutional revenue limits that may apply to that taxing entity.
